

**IN THE DRAWINGS**

1. Replacement Sheet 4/6 is provided with this Amendment wherein FIG. 10 has been amended by adding reference character 15A for the insert, which is now shown at the top surface of the middle in the middle layer creating a pressure point on the arch of the foot. A red-lined marked up copy of Sheet 4/6 is also provided as an appendix, which red-lined marked up copy is identified as an "Annotated Marked-up Drawing" showing the requested change of adding the reference character and missing lines of the insert feature 15A.
